Key Points

- Academically disqualified (DQ) students may not enroll in more than six (6) units in Fall, Spring and Summer terms.
- Registration is on a space available basis. Only the first 24 units of credit earned through Open University enrollment may count towards the cumulative units required for a bachelor’s degree at CSUF. Courses taken through Open University enrollment cannot be used to fulfill residence requirements for a bachelor’s degree at CSUF (30 units for the degree; 24 units in upper division courses; and 12 upper division units in the major). For graduate degrees at CSUF, normally 6 to 9 units of approved credits taken through Open University may apply, but for degrees which require more than 30 units, more units of credit may apply. Please consult the department graduate advisor of your program.
- Course Information is available online. View course descriptions and prerequisite information at http://catalog.fullerton.edu/.
